

Spartan Spinners—July 12, 2023--NOW--Notes on Wednesday

Hello Spartan Spinners and Students.

Plus classes continue this Thursday, July 20, 7-9 pm at [St. James Methodist Church](#). Cost is per donation. Tom Pustinger will be calling for the classes. PLEASE NOTE: We need all our Angel dancers who know the Plus calls to attend and help with the classes--especially our men! It's hard to learn the calls when we don't have enough squares or even if we don't have enough men to balance out the squares. Please come and join in on the fun. Remember it's extra exercise for the body and mind!

The club is selling magnetic signs for your car as a means of promoting our club. The magnets are \$7 each but the cost will drop if more people purchase the magnets. Please see Harvey Brandon for more information and/or to purchase.

Our Hawaiian Luau Dance was held last Saturday, and we had 16 Spinners, 1 Pacesetter, 1 Peach Blossom, 2 Thunderbirds and 2 students. Several members are on vacation, and we hope to see you back at our next dance.

Please note that our next dance will not be until Saturday, August 19th due to other big events filling out the end of July and beginning of August (see below for more information).

Reminder of the big events coming soon! The SC Square and Round Dance Federation Dance, Saturday, July 29, at the [Senior Solutions, 101 Perry Avenue, Seneca, SC](#), 12:30 to 10 pm. \$7 per person or \$14 per couple. Suggested appropriate square dance attire for the evening dance. Hosted by Paws & Taws Square Dance Club with Ken Perkins, host caller, Tom Bunn, host cuer and Cindy Bunn, host line dance leader. Hope to see you there.

The 48th Tennessee Square and Round Dance Convention will be held August 3-5, 2023 at the [W.L. Mills Conference Center, 234 Historic Nature Trail, Gatlinburg, TN](#). If you plan to go, make sure you get your hotel reservations made soon. More information about this convention is on the flyer. If you need the flyer, please get with me and I'll e-mail or text to you.

See you soon in the square!
