

Spartan Spinners—June 14, 2023--NOW--Notes on Wednesday

Hello Spartan Spinners and Students.

We had a great turnout for our Plus classes that started last week, three squares learning and dancing. Be sure to come this Thursday, June 15, 7-9 pm at [St. James Methodist Church](#). Cost is per donation. A great opportunity to learn the calls past the Mainstream level. Tom Pustinger will be calling for the classes.

Our next dance is this coming Saturday, June 17, 7:30-9:30 pm, with early rounds at 7 pm, with Dean Kinion cueing. Location at [Holy Communion Lutheran Church](#). The theme is Western Hoedown, so wear your best hoedown outfit. Tom Pustinger will be calling. Bring a snack too if you care to share.

Our picnic last Sunday was a huge success with over 35 people present and was enjoyed by all. Thank you for bringing such delicious food and sharing your culinary talents. A special thank you to Marcus and David for cooking up those awesome hamburgers and hot dogs!

Prior to the picnic, we held a club business meeting. Lots of great discussion especially about future events and also how we can promote the club for future lessons and dances. I will tackle those minutes and get them out to you in a few days. On a side note, David and I will be traveling starting next week and until June 30. I will send the weekly news out as best as I can during those 2 weeks we will be gone.

See you soon in the square!
