[Landmark Hall, Taylors SC.](#)

--

Special Request: Copy and paste the following into an email and send it out to all your non-dancing friends. It is time to start recruiting for our next class.

Learn to Square Dance!

Learning to square dance is as easy as counting to four and walking in a square. The Spartan Spinners will teach you to dance and have you out on the dance floor before you know it.

We invite you to come out to the [St. James United Methodist church](#) 213 N. Lanford Road here in Spartanburg, SC. on February 16 at 7pm for our Open House. [Tom Pustinger](#) will have you on the dance floor before you leave. We think this will be the beginning of a new chapter

in your life that you will wish you had opened much earlier. Now that our "Learn to Dance" program is up and running, check with us at <https://www.facebook.com/SpartanSpinners2/> periodically for dates to jump on board with the program.

We will instruct you in the square dance calls and encourage you to move along at your own pace. You will be able to dance with us in a comfortable environment and progress at a pace you feel most comfortable, without a lot of pressure to move faster than you feel you can. Soon you will not only be dancing with us here in Spartanburg but if you like you will be "travel dancing" to other clubs in the area and taking square dance vacations that take you all over the country, on cruises, and overseas. Square Dance is called in English all over the world, anywhere they are square dancing you will be able to dance, worldwide.

Cost? Here at the Spartan Spinners we request a \$5.00/person donation to help us keep the doors open. You won't have to pay a large fee up front to tie yourself to something that you might not want to continue to do. We think that when you discover the fun and fellowship of square dancing you will want to continue to grow in this great activity. This will keep you coming on Thursday nights and not wanting to miss a single week of dancing.

We have discovered an interesting phenomenal in new dancers. It is usually the lady that drags the gentleman to the square dance hall to learn to dance. After a couple of evenings of dancing it is the gentleman who is encouraging the lady to not miss a single dance night. That said, we would like you to just come out and experience square dance. We guarantee it is not what you did in grade school.

The Spartan Spinners SDC only ask one thing from the dancers that come to dance with us. We ask that you come with an open mind and have fun when you get to the dance. We will do all we can to make everyone welcome and feel a part of the evening's festivities.

See you Thursday night February 16th 2023 !!!

Thursday nights 7:00pm - 9:00pm
