

Spartan Spinners—October 11, 2023--NOW--Notes on Wednesday

Greetings Spartan Spinners.

The weekly mainstream workshop on Thursday evenings 7-9 pm at [St. James Methodist Church](#) is going well and we are thankful for Tom Pustinger, caller, for agreeing to do these for our members in lieu of a student class. Be sure to let him know what calls you want to work on. There will be a basket at the sign-in table each week and donations for Tom's time will be appreciated.

The student classes continue on Tuesday nights, 7-9 pm, sponsored by the Peach Blossoms Club at [Inman Methodist Church](#). Please come and support them and their students. Tom Pustinger is the caller.

Our Birthday Bash Dance last Saturday, October 7 was enjoyed by 22 Spartan Spinners, 3 Peach Blossoms and 2 independents. Birthday cake was served in addition to other goodies.

The Piedmont Interstate Fair is ongoing now through the weekend. Our booth was decorated by Elizabeth Frederick and Don Galloway. It was reported that our booth took First Place in the theme competition, which was Harvesting Family Traditions. Congratulations to the club on this achievement. We are hoping that with this publicity we may obtain some local people just wanting to get back into square dancing or new students.

This Friday night, October 13, the Peach Blossoms will be holding their next dance at [Inman Methodist Church](#) with Tom Pustinger calling. Start time is 7:30 pm. Come join in on the fun and earn a Black Cat Dangle.

The magnetic car signs are still for sale for \$7. Please see Harvey Brandon, Treasurer, for purchase.

Our next dance, our Halloween Dance, will be on Saturday, October 21 at 7:30 pm with Tom Pustinger calling. Be sure to wear your favorite Halloween costume and bring candy to enjoy. JoAnn Lanier and John Tarrant are in charge of setup.

See you soon in the square!
